*Proceedings of the Madras Government, Public Works Department,
1st April 1864.*

No. 7. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E.,
Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Public Works Department, dated Coimbatore, 17th March 1864, No. 354:—
SIR,

The sanction inquired of in Government Order No. 702 of 8th March, is portion of the sum
of Rupees 2,500 sanctioned by the Supreme Government in letter printed with Government
Order No. 420 of 11th February 1864, out of which I reported in my No. 350, of 12th March
1864, that only Rupees 500 would be spent before 30th April 1864, and that only in laying in
materials. The work is one of no great necessity; the chief point, that of opening the European
Barracks to the seaward, has been gained by demolition of certain walls and sheds, and I am not
aware that the Officer Commanding H. M.'s Royal Madras Fusiliers, the Brigadier General, or
His Excellency the Commander-in-Chief want enclosures of any sort outside the Barrack walls.
These minor works interfere greatly with the progress of the more important buildings at Cannanore,
which are reported in a late communication of the Brigadier General's to be almost at a
stand still, and if they can be deferred a couple of years, so much the better.

No. 8. ORDER THEREON, 1st April 1864, No. 396.

Ordered to be recorded.

(True Extract.)

Secretary to Government.
