*Proceedings of the Madras Government, Public Works Department,
1st April 1864.*

Read the following letters :—

No. 17. From Lieutenant-Colonel J. C. ANDERSON, R. E., Superintending Engineer, 2nd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Masulipatam, 5th March 1864, No. 71.

SIR,

1. Referring to paragraph 2 of my letter No. 55, dated 2nd ultimo, I have the honor to forward copy of a letter from the Superintending Engineer, 1st Division, stating that the services of V. Narrainsawmy have not yet been dispensed with.

2. It would appear in G. O. No. 561, dated 24th ultimo, that the appointment of a Taluq Overseer to act, *vice* Mr. Sub-Engineer Colquhoun, rested with myself from date of his transfer to this Division, but as the Superintending Engineer, 1st Division, will have retained the services of the person he had appointed till a much later date, that is the date of receipt of G. O. in question, Durmayadoo's appointment must be cancelled, unless the Government in consideration of the saving effected by Mr. Colquhoun's absence be pleased to sanction it as a special case.

Referred to the Controller and Auditor of Public Works Accounts for report (after communicating if necessary with the Superintending Engineers 1st and 2nd Divisions) as to whether funds are available from the amount forfeited by Mr. Colquhoun during his absence on Medical Certificate, to meet the salary and allowances of the temporary Taluq Overseer irregularly employed in the Ganjam District subsequent to Mr. Colquhoun's transfer to Nellore. Mr. Brien (the Overseer in charge of the Chicacole Range) is not entitled to deputation allowance after the 17th November 1863.

No. 18. From Lieutenant-Colonel C. V. WILKIESON, R. E., Controller and Auditor of Public Works Accounts, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 15th March 1864, No. 2,792.

SIR,

With reference to the Endorsement of Government, dated 12th instant, on a letter from the Superintending Engineer, 2nd Division, dated 5th idem, No. 71, I have the honor to report that there are sufficient funds available from the savings effected by the late Sub-Engineer Colquhoun's absence on sick leave to be passed to the temporary Taluq Overseer irregularly employed in the Ganjam District subsequent to the Sub-Engineer's transfer to Nellore.

No. 19. From Lieutenant-Colonel O. W. S. CHAMBERS, R. E., Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Camp Dowlaishweram, 22nd March 1864, No. 2,380.

SIR,

1. In pursuance with the Order of Government as per margin, which reached me on the 7th instant, I sent on arrival at Rajahmundry, a telegraphic message to Chicacole ordering that Acting Taluq Overseer Narrainsawmy's services should be dispensed with.

2. I beg to report that they were dispensed with on the 13th instant, and to request that the Comptroller be authorized to pass the man's salary bill up to that date.

No. 20. ORDER THEREON, 1st April 1864, No. 901.

1. In Proceedings dated 25th September 1863, No. 2,786, the Government approved of the appointment of V. Narrainsawmy as Acting Taluq Overseer in the Ganjam District on full pay and travelling allowance, during Mr. Colquhoun's absence on sick leave. In the official

*Proceedings of the Madras Government, Public Works Department,
1st April 1864.*

Gazette of the 17th November 1863, Mr. Colquhoun was transferred to the Nellore District, but as he had applied for an extension of leave, the Superintending Engineer, 2nd Division, requested permission to entertain a Taluq Overseer on Rupees 30 to be met from savings effected from the Sub-Engineer's pay during his absence, and he added that pending sanction he had appointed A. Durmaroyadoo, late a Sub-Overseer, to act as Taluq Overseer from the 8th January 1864. Colonel Anderson's attention was then drawn to the orders of 25th September above quoted, and he was requested to ascertain from the Superintending Engineer, 1st Division, the date from which the services of the Acting Taluq Overseer in the Ganjam District, whose entertainment was therein sanctioned, were dispensed with.

2. It appeared, however, from a letter from Colonel Chambers dated 15th February 1864, No. 2,160, that the arrangements sanctioned in the orders of 25th September had been left undisturbed even after Mr. Colquhoun's transfer to the Nellore District. In pointing out the irregularity of this proceeding, Colonel Chambers was requested in Proceedings of 24th February 1864, No. 561, to arrange for the services of Acting Overseer Narrainsawmy being at once dispensed with, as it was clear that two Acting Overseers could not continue to be employed. These instructions were carried into effect on the 13th March 1864.

3. As it was necessary to determine the source from which the salary of the Acting Overseer irregularly employed in the Ganjam District was to be paid, a reference was made to the Controller and Auditor of Public Works Accounts, who reports that there are sufficient funds available from the savings effected by Mr. Colquhoun's absence to meet the charge.

4. The Government accordingly resolves to authorize the salary of Acting Overseer Narrainsawmy up to the date on which his services were dispensed with under the orders of 24th February 1864, No. 561, being
• 13th March 1864.
disbursed from the source mentioned.

5. The appointment of Durmaroyadoo in the Nellore District during the period of Mr. Colquhoun's absence on sick leave will not be affected.

No 2792.

22nd March 1964

In Pro. of 28th September
1863, No. 2786, the Government
approved of the appointment of
V. Narraiyana as Ag. Talook
Overseer in the Gungam District on
full pay & travelling allowance,
during Mr. Colquhoun's absence
on sick leave. In the Official Gazette
of the 17th Feb 63 Mr. Colquhoun
was transferred to the Koller District,
but as he had applied for an
extension of leave, the Supt Engr
2^d Bn requested permission to
employ a Talook Overseer on
Rs 30 to be met from Savings ef-
fected from the Sub Engineer's pay
during his absence, & he added
that pending sanction he had

appointed Durmaroyado, late
a Sub Overseer, to act as Talook
Overseer from the 8th January 1856. Col.
Anderson's attention was then drawn
to the order of 25th Sept above
quoted, & he was requested to
ascertain from the Supy Ings
1st Dⁿ the date from which the
services of the Ag Talook Overseer
in the Ganjam District, whose en-
tertainment was therein sanctioned,
were dispensed with.

It appeared however
from a letter from Col. Chambers
d/15 Feb 1856, No 2180, that the
arrangements sanctioned in the
order of 25th Sept ^{had been} left un-
disturbed even after Mr Colquhoun's
transfer to the Koller District.
In pointing out the irregularity
of this proceeding, Col. Chambers
was requested in Pro. of 24th Feb
1856, No 561, to arrange for the
services of Ag Overseer Narraimawmy
being at once dispensed with,
as it was clear that two Acting
Overseers could not continue to
be employed. These instructions were carried into effect on the 13th March 1856.

As it was necessary
to determine the source from which

the salary of the Ag Overseer is
regularly employed in the Gan-
jam District was to be paid,
a reference was made to the Con-
troller & Auditor of the accounts,
who reports that there are
funds available from the savings
effected by Mr Colquhoun's absence
to meet the charge.

The Govt accordingly
resolves to authorize the salary
of Ag Overseer Narraimawmy
up to the date on which his
services ^{were} dispensed with
under the order of 24th Feb 1856,
No 561, being disbursed from
the source mentioned.

The appointment
of Durmaroyado in the Koller
District during the period of
Mr Colquhoun's absence on sick
leave will not be affected. -
