Proceedings of the Madras Government, Public Works Department, 2nd April 1864.

Read the following letters:—

No. 35. Endorsement of the Superintending Engineer, 8th Division, dated Teroomungalum, 10th March 1864, No. 2,096.

From Captain G. M. PAYNE, Executive Engineer, 2nd Class, to Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, dated Madura, 9th March 1864, No. 180.

SIR,

1. On the introduction of the new Regulations of the Department Public Works, in the month of July last, I was drawing the full salary of a District Engineer, 2nd Class, viz., Rupees 600 per mensem, vide Government Order No. 2,911, dated 5th December 1862.

2. I had held the appointment for sixteen months.

3. By the new Rules my salary was reduced to Rupees 500 per mensem.

4. As I understand that it was not the intention of Government that members of the Department Public Works should lose by the introduction of the new Rules, and as I believe the concession has been made in the case of Captain Palmer, Executive Engineer 2nd Class, Trichinopoly District, whose position in the Department was similar to mine, I beg you will be good enough to submit for the favorable consideration of Government this my request that the same indulgence may be extended to myself, viz., that of being allowed to draw a Staff salary of Rupees 600 instead of 500 per mensem.

Forwarded to the Secretary to Government, Department Public Works, for consideration.

(Signed) F. J. MOBERLY, Captain, R. E.,
Superintending Engineer, 8th Division.

Referred to the Controller and Auditor of Public Works Accounts.

No. 36. Report of the Controller and Auditor of Public Works Accounts, No. 2,812.

The Controller and Auditor of Public Works Accounts has the honor to inform the Secretary to Government that Captain G. M. Payne has quite misunderstood the relative positions of himself and Captain Palmer. Captain Palmer in G. O. 21st May 1863, No. 1,287, was confirmed as a 2nd Class District Engineer, whereas Captain Payne was never anything else but an Acting District Engineer, although, as he had acted more than six months, he was drawing full allowances. In cases of personal allowances being given to make up for a loss of salary the extra pay drawn in acting appointments is never considered.

No. 37. ORDER THEREON, 2nd April 1864, No. 909.

Ordered that the foregoing report be communicated to Captain Payne, through the Superintending Engineer, 8th Division.
