## 1 Estimate

2. The Board, at whose request the Estimate has been prepared, see no necessity for the screens being painted, but I have not thought it advisable to reduce the Estimate on that account, as, although paint is not absolutely necessary, yet it will give a proper finish to the work, I therefore recommend that early sanction be given for the execution of the Estimate from the savings entered in the following Statement:—

*The undermentioned savings on allotments may be recommended to meet the expenditure on Estimate Rupees 450 for putting up canvas partitions in the lower story of the Revenue Board Office in Chlepauk.*
