*Proceedings of the Madras Government, Public Works Department,
4th April 1864.*

No. 77. Read the following Endorsement of the Controller and Auditor of Public Works Accounts, dated Madras, 18th March 1864, No. 2,823.

Read the following letter from Captain J. DEAN, R. E., Officiating Superintending Engineer, 6th Division, to Lieutenant-Colonel C. V. WILKIESON, R. E., Controller and Auditor of Public Works Accounts, dated Tanjore, 12th March 1864, No. 2,096:—

SIR,

1. I have the honor to reply to your Memorandum No. 1,875, dated 13th November last, which was only brought to my notice on the receipt of Government Order No. 606, dated 29th February 1864, my predecessor and Office servants not having informed me of the reference remaining unanswered.

2. It appears that the Estimate of Rupees 900 for repairing the Barrack Hospital and out-Offices of Her Majesty's 105th Regiment, Trichinopoly, was received from the Executive Engineer, in a letter as per margin, and had been countersigned by the Military authorities at the Station.

3. I can get no explanation as to the cause of Lieutenant-Colonel Foord's sanctioning it for execution, and I am also unaware of the reason of his failing to reply to your Memorandum. I believe it was by inadvertence, unless he considered that he was competent to sanction the Estimate by Clause III, paragraph 1 of Chapter XXIV of the new Code.

¹ Letter No. 2,096, dated 12th March 1864, from the Superintending Engineer, 6th Division.

Submitted to Government, with reference to paragraph 7 of their Order No. 606, dated 29th February 1864, and in continuation of letter No. 2,687, dated 4th March 1864, from this Office.

(Signed) C. V. WILKIESON, Lieut-Colonel, R. E.,
