*Proceedings of the Madras Government, Public Works Department,
4th April 1864.*

No. 85. Read the following Proceedings of the Governor General of India in Council, Public Works Department, dated Fort William, 7th March 1864, Circular No. 6:—
Collections from Tolls, or Ferries, or Bridges-of-Boats on Imperial Roads to be dealt with as Local Revenue.

Read the following:—

Extract from Financial Department Resolution,—No. 516, dated 28th January 1864.

1. The Governor General in Council observes that under Budget Rules, the receipts from Tolls, or Ferries, or Bridges-of-Boats, if treated as Imperial Revenue, would have to be credited, in gross, as income, the charges of maintenance and collection being separately provided by a Budget grant.

2. But the provision of this grant, in the ordinary way, in the Public Works Budget, would virtually be a reduction, *pro tanto*, of the ordinary Public Works allotment for the Presidency or Province concerned, whereas the net income from Tolls, or Ferries, or Bridges-of-Boats, though forming an item of Public Revenue, has to be locally appropriated for Public Works, without at least diminishing the funds otherwise available for such works.

3. Under these circumstances, and for several reasons, it is preferable that the collections from Tolls, or Ferries, or Bridges-of-Boats on Imperial Roads, should, like those on Local Roads, be dealt with as Local Revenue, and that both the receipts and charges should be shown, without deduction, in the Annual Budget-Estimates of Local Funds, and in the accounts based upon them.

4. The Governor General in Council is accordingly pleased to authorize from the commencement of the next official year, the transfer proposed by the Public Works Department, on the understanding that the cost of maintaining the Ferries and Bridges-of-Boats, and all charges of collection, will be defrayed from the receipts.

Governments of Madras, Bombay, Bengal, North-Western Provinces and Panjab; Governor, Straits Settlements; Chief Commissioners, Oudh, Central Provinces, and British Burmah; Commissioner, Mysore, and Resident at Hyderabad.
