*Proceedings of the Madras Government, Public Works Department,
5th April 1864.*

No. 125. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E.,
Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary
to Government, Department Public Works, dated Coonoor, 30th March 1864,
No. 363:—

SIR,

With reference to Government Order No. 689 of 7th March, I have the honor to report that
according to information received from the Collector of South Canara, the amount of Local
Funds likely to be on hand on 1st May 1864 is Rupees 11,872. Supposing therefore that the
expenditure of the current year is not less than has been estimated (and I can safely certify that
it will not be in excess) there are evidently available funds enough to permit of Rupees 500.
being spared for the Charmady Chuttrum.

No. 126. ORDER THEREON, 5th April 1864, No. 954.

The Government approves of the cost of the Choultry on the Charmady Ghât being met in
the manner suggested, the Superintending Engineer being satisfied that the requisite funds will
be available.
