*Proceedings of the Madras Government, Public Works Department,
6th April 1864.*

No. 141. Read the following Endorsement of the Superintending Engineer, 4th Division, dated Madras, 21th March 1864, No. 5,932.

Read the following letter from Captain H. T. ROGERS, R. E., Executive Engineer Mount Range, to Lieutenant-Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, dated Mount, 11th March 1864, No. 774 :—

SIR,

1. With reference to your Memorandum No. 5,563, dated 9th instant, I have the honor to inform you that it will be impossible for me to diminish the proposed expenditure on the Codumbakum road by Rupees 4,000. In compliance with the stringent orders received from you I have employed every means to have the road completed from the Mylapoor tank to the junction with the Poonamallee road. The consequence is that that portion of the road is nearly completed, and the work remaining to be done with the exception of a small quantity of masonry work nearly finished is given on contract, which it would be impossible to annul without the certainty of litigation. The amount actually expended up to the end of last month is Rupees 6,483-4-10 from the Income Tax Fund, so that you will observe that Rupees 483-4-10 were then expended in excess of the allotment of Rupees 6,000, to which your Memorandum requires me to limit my expenditure.

2. The cost of works now in progress with those actually executed and for which money is due is estimated at Rupees 3,206-6-1, making an aggregate of Rupees 9,689-10-11 expenditure from the Income Tax Fund for the year, so that allowing for inaccuracies in Estimate Rupees 9,750 will be the amount required to be sanctioned for the year or 4,750 (instead of Rupees 1,000 as proposed) in addition to the Rupees 5,000 already sanctioned.

1. Submitted to Government with reference to paragraph 6 of Superintending Engineer's letter No. 5,212, dated 24th February 1864, embodied in Proceedings of Government No. 605, dated 29th idem, with a request that any portion of the amount of Income Tax Funds Rupees 4,000, Madras District, surrendered in the Savings List No. 1, which accompanied the above letter, that may yet remain at the disposal of Government may be allotted for the Mylapur and Konatoor road.

2. The funds already allotted and the expenditure thereon is as follows :—
