Dated 7. - 4 -	1864.

*Proceedings of the Madras Government, Public Works Department,
7th April 1864.*

No. 183. Read the following letter from Lieutenant-Colonel O. W. S. CHAMBERS, R. E.,
Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Department Public Works, dated Camp Dowlaishweram, 28th March
1864, No. 2,449:—

SIR,

Enclosure 1.

1. I do myself the honor of submitting to Government for
approval and sanction a revised allotment of the provision made
in the Budget of the current year for repairs of all kinds in the Godavery District.

2. It will be observed, as I have already reported by telegraph, that I anticipate that twenty-
five thousand Rupees less than the original allotment for Repairs will remain unspent on the
1st of May next, and that that amount has accordingly been deducted from the 2,48,730 Rupees
granted in the Budget.

3. I may have to address Government again on this subject as I find it difficult to judge
with any nicety what will be spent under any particular head.

4. The total expenditure on Repairs at the Godavery up to the 1st instant was 1,69,510
Rupees, and I calculate that not less than 25,000 Rupees per month will be spent under this
head during March and April.

5. I beg that the above may be considered as a reply to the question asked in the Memo-
randum accompanying the letter of credit for the Godavery for April.
