*Proceedings of the Madras Government, Public Works Department,
7th April 1864.*

Read the following papers:—

No. 185. From Lieutenant-Colonel H. W. HITCHINS, R. E., Superintending Engineer, 5th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Pondicherry, 8th February 1864; No. 1,898.

SIR,

1. I have the honor to bring to your notice that there are several non-Military Taluq Overseers in this Division, most of whom were, previous to the changes, employed as Sub-Overseers, Overseers and Assistant Overseers, and that they have already furnished securities for their good conduct and executed the necessary Bonds and Agreements, Overseers and Assistant Overseers to the extent of 400 Rupees and Sub-Overseers to 200 Rupees only.

2 Blank Forms of Indemnity Bonds.
1 Do. of Memorandum of Agreement.

2. In Proceedings of Government dated 18th August last, No. 2,346, it is ruled that all Taluq Overseers should furnish security to the extent of 200 Rupees each, which necessitates the return of half of the amounts lodged by Overseers and Assistant Overseers, but in the case of Sub-Overseers, the amount of security happens to be exactly the same as that required of Taluq Overseers.

3. Thus it will be seen that not only half of the amounts lodged by the Overseers and Assistant Overseers have to be returned to them in cases in which actual cash was deposited, but that all the documents executed by them as well as by Sub-Overseers have to be renewed with reference to their present designations, &c.

4. The accompanying blank forms of Indemnity Bonds* and Memorandum of Agreement are the same as those prescribed in the Proceedings of Government dated 17th October 1859, No. 2,457, and the only change which appears to me to be necessary to be introduced in it is substituting the words "Superintending Engineer" for "Chief Engineer."

* To be returned.

5. I have now to solicit your early instructions regarding the points noticed above, to enable me to see that each non-Military Taluq Overseer of my Division is bound by the required security.

Referred to the Government Solicitor, who will be good enough to furnish his opinion as to the course to be adopted in returning all sums received in excess of the present regulated amount of security from such of the Taluq Overseers as belonged to the grades of Overseer and Assistant Overseer in the Department of Public Works under its former constitution. It is requested that the forms of Agreement herewith transmitted may be modified to suit the change ordered in Proceedings dated 18th August 1863, No. 2,346.

Madras, -
12th February 1864.

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government, P. W. D.

No. 186. From J. R. BOYSON, Esq., Government Solicitor, Madras, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madras, March 21st 1864, No. 132.

SIR,

1. Referring to the Order of Government noted in the margin, I have the honor to forward herewith blank printed forms of the Securities (Bond and Agreement with deposit of Government Securities, as the case may be) to be taken from employes in the Public Works Department, for ensuring the faithful discharge of their duties, &c., in which I have made such alterations as were needed to meet the present state of circumstances.

Dated 12th February 1864, and made on
letter from Superintending Engineer,
5th Division, to Government, of 8th idem,
No. 1,898.

*Proceedings of the Madras Government, Public Works Department,
7th April 1864.*

2. The proper course, on returning to the parties entitled, all sums in deposit with Government in excess of the present amount of security required from such parties, will be, to take an ordinary receipt from each of such parties, showing the amount received, and that it is part of a specified sum previously deposited with Government on a specified date as such security, and leaves in deposit with Government a balance of specified amount as such security, &c: No other or more formal writing is necessary.

3. I return the Order above noted.

No. 187.

ORDER THEREON, 7th April 1864, No. 982.

Resolved that 50 copies of each of the printed forms of Security, received with the letter from the Government Solicitor recorded above, be furnished to the Superintending Engineers, and that their particular attention be requested to paragraph 2:

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

To the Superintending Engineers, with 50 copies of each form of Security.

2 Blank forms of
Indemnity Bonds.
- 1 of Memorandum
of Agreement.

I have the honor to bring to your notice that there are several Non-Military Talook Overseers in this Division most of whom were previous to the changes employed as Sub-Overseers, Overseers, and Assistant Overseers, and that they have already furnished securities for their good conduct and executed the necessary Bonds and Agreements - Overseers and Assistant Overseers to the extent of 400 Rupees and Sub-Overseers to 200 Rupees only.

2. In Proceedings of Government dated 18th August last No. 2346, it is ruled that all Talook Overseers should furnish security to the extent of 200 Rupees each, which necessitates the return of half of the amounts lodged by Overseers and Assistant Overseers - but in the case of Sub-Overseers, the amount of security happens to be exactly the same as that required of Talook Overseers.

3. Thus, it will be seen that not only half of the amounts lodged by the Overseers and Assistant Overseers have to be returned to them,

in

in cases in which actual cash was deposited,
but that all the documents executed by them
as well as by Sub Overseers have to be renewed
with reference to their present designations &c.

4. The accompanying blanks
forms of Indemnity, Bonds and Memorandum
of agreement are the same as those prescribed
in the Proceedings of Government dated 17th
October 1859 No. 2457, and the only change
which appears to me to be necessary to be
introduced in it is substituting the words
"Superintending Engineer" for "Chief

5. I have now to solicit your

stated above, to enable me to see that
