*Proceedings of the Madras Government, Public Works Department,  
8th April 1864.*

No. 194. Read the following letter from J. R. BOYSON, Esq., Government Solicitor, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madras, March 31st 1864, No. 152:—

SIR,

Dated 25th February 1864, No. 562, Public Works Department. 1. With reference to the Proceedings of Government noted in the margin, I have the honor to report that, having received from the Special Agent of South Arcot a letter and enclosure (of which I herewith forward a copy), giving me the names of the promoters of the proposed line of light Railway between the Settlement of Pondicherry and the main line of the Madras Railway, I have prepared and herewith submit for the approval of Government, the draft of a Certificate to be granted by Government to the promoters of the contemplated Railway for the purpose of duly authorizing a preliminary survey under the provisions of Section 6 of Act XXII of 1863.

2. I think the Certificate, as now framed, contains and embodies all needful stipulations and, whilst conveying all proper authority to the promoters of the undertaking, sufficiently protects the rights and privileges of Her Majesty's subjects, especially those who may be owners or occupiers of property upon which the promoters of the undertaking and others authorized by the Certificate, may desire to enter for the purposes of survey and enquiry.

3. It would be more formally correct if the Christian names of the promoters were inserted at length in the Certificate, but Government may, perhaps, consider that they are sufficiently described by their Surnames and occupation, &c.

No. 195. ORDER THEREON, 8th April 1864, No. 986.

1. Resolved that the Certificate received with this letter be forwarded, through the Collector of South Arcot, to the President of the Committee formed at Pondicherry to consider the feasibility of connecting that Settlement with the Madras and South-west Railway by a line of light rails, and that copies be furnished to the Collectors of South Arcot, Salem, North Arcot and Madras, and to the Superintending Engineers, 4th and 5th Divisions, for information and guidance, with reference to Proceedings No. 562, dated 25th February 1864.

2. The Collector of South Arcot will be requested, before making over the Certificate, to enter the Christian names of the promoters in the spaces left for the purpose.
