15*th May* 1865.

No. 255. Read the following Proceedings of the Madras Government in the Financial Department:—

Furnishing, for information, copy of a letter from the Government of India, sanctioning grants to the several Departments and Offices concerned in the Budget Estimate for 1865-66. } (Here enter 28th April 1865, No. 217.)

No. 256. ORDER THEREON, 15th May 1865, No. 1,013.

Miscellaneous.

1. Ordered to be communicated to the Board of Revenue for their information and guidance.

2. The Government of India have struck out Rupees 21,000 from B. IV. Miscellaneous, under the misapprehension that the entire sum of Rupees 41,500 entered by this Government for "Pearl and Chank" Fishery in Tinnevelly is for the former alone. On referring to the original Budget passed by this Government, it appears that separate sums were passed for each of the two Fisheries as shewn below, but the Accountant General entered all of them under one head "Pearl and Chank Fishery":—

	RS.	
Chank Fishery	12,618	Chank Fishery.
Establishment including guards.	4,633	
Contingencies including purchase of stores.	2,263	
Pearl Oyster Nursery...	20,000	Pearl Oyster Nursery.
Contingencies including instruments	2,000	
Total ...	41,519	

3. Under these circumstances the Government of India will be requested, through the Financial Department, to sanction the sum struck out of the Budget.

referring to the original Budget

Proceedings of the Madras Government, Financial Department, 28th April 185.

No. 59. Read the following letter from E. H. LUSHINGTON, Esq., Secretary to the Government of India, Financial Department, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Fort William, 1st April 1865, No. 1859.

I am directed to acknowledge the receipt of your letter, No. 93, dated 14th February 1865, forwarding the Budget Estimates of the Civil Expenditure of the Presidency of Madras, for the ensuing official year 1865-66, and, in reply, to communicate, for the information of the Madras Government, the following orders and observations:—

2 The Local Estimate of the Land Revenue Charges, including those of the Forest and Abkarry Departments, amount to Rupees 46,89,500, which is largely in excess of the Actuals of 1863-64. The bulk of this increase is in the provision for the Settlement and Survey charges. In the former, however, it is expected there will be a saving, by a revision of the plan of operations; but, because the precise amount cannot be stated, the Madras Government has allowed the Estimate to stand at 4½ lacs, though it is not likely that, under altered arrangements, the expenditure of the Department will be as large as it is at present. The amount is, therefore, reduced by Rupees 25,000, which will still leave a very large excess over the Actuals of 1863-64.

			Rs.
Actuals	1862-63	.....	3,89,377
	1863-64	.....	3,07,478
Budget	1864-65	....	4,57,401
	1865-66	.....	4,50,000

In the Survey charges, the Governor General in Council considers that, in the absence of any explanation of the excess over the Actuals of 1863-64, Rupees 50,000 may be struck out.

			Rs.
Actuals	1861-62	.....	4,24,833
	1862-63	.....	4,18,887
	1863-64	.....	4,41,360
Estimate	1865-66	.....	5,00,000

With these two deductions, and the addition of Rupees 2510 to the head of Forest, with reference to Dr. Brandis' Estimate (vide separate Resolution of this date), the grant for B. I. 1, Land Revenue, including Forest and Abkarry, is fixed, in round numbers, at Rupees 46,17,300.

3. The Estimates of "Stamps" and "Mint" charges, viz., Rupees 1,06,000, and Rupees 2,28,200, have been accepted, with the addition of Rupees 31,520 *(a)*, to the former, as per margin, and of Rupees 23,250 to the latter, on account of Stores from Europe, exclusive of Copper for coinage, the cost of which is not chargeable against income.

(*a*) Stores from England including Freight	23,520
Additional discount on increased sale of Stamps.	8,000
	31,520

4. The charges for Allowances and Assignments, under Treaties and Engagements, have been reduced by Rupees 70,000, or from Rupees 1,40,000 to Rupees 70,000, in the item of Commutations of Pensions, the Governor General in Council considering that it will be sufficient, in 1865-66, to expend Rupees 70,000 on that account.

5. From the aggregate sum estimated under B. IV. Miscellaneous, Rupees 21,000 have been deducted for the Pearl Fishery at Tinnevelly, thereby reducing the provision for that item to Rupees 20,520. This has been done with reference to paragraph 28 of the Proceedings of the Madras Government, in the Revenue Department, No. 104, dated 24th January 1865, in which it is stated that the "probable outlay on it, in the current official year, is computed at Rupees 20,000," and that "the entry of Rupees 20,000 for next year is absolutely necessary."

6. To the Local Estimate of Rupees 20,04,200, under F. II, "Salaries and Expenses of Public Departments," Rupees 1,84,570 have been added by this Department, on account of the cost of Europe Stationery, and Rupees 7,903 have been transferred from the Military Department, under Docket, No. 1283, dated 24th March 1865, for "Stationery Depôt Services and Supplies," thereby raising the estimate to Rupees 21,96,700.

7. Under F. III, Law and Justice, the Local Estimate of 39,82,500 has been raised to Rupees 40,22,500, by the addition of Rupees 49,927, transferred from the Budget of the Straits Settlements, on account of the cost of the Madras convicts sent thither, less a sum of Rupees 10,000

retrenched on account of extra establishments, and other extra expenses for guarding the convicts employed on the Lawrence Asylum works, which, His Excellency in Council considers, should properly be charged to the Funds from which the building is constructed.

8. The Estimate for Superannuation and Retired Allowances in the Revenue and other Departments is largely in excess of the Actuals for 1861-62, 1862-63, and 1863-64. Rupees 40,000 have accordingly been struck out.

9. Under F. IX, Miscellaneous, the following deductions have been made.

10. Rupees 48,000, on account of the allowances to Junior Civil Servants. The only explanation that has been given for a large provision* on this account is that the Junior Civil Servants are detained longer at the Presidency, before they are posted to Districts as Assistant Collectors; but, as the charge for Assistant Collectors has not been reduced on account of this mere transfer of cost, the Governor General in Council considers the increase to be unnecessary.

12. Rupees 2,06,250, on account of additional shares in Madras Bank, which have been transferred to "Debt," in accordance with the order passed in this Department, on the 16th February 1865, No. 907.

13. With these deductions, and the addition of Rupees 19,690 for Miscellaneous Stores to be received from England, the grant under this head has been fixed at Rupees 4,65,500.

14. The grants made on account of Marine, Public Works, Police, and Education will be communicated to you separately.

15. Annexed is the usual statement, shewing the Abstracts of the Local Government's Estimates, under the several heads of charges, and the Grants sanctioned by the Government of India.
