Proceedings of the Madras Government, Revenue Department, 15th May 1865.

No. 259. Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Calicut, 25th April 1865, No. 48 :—

SIR,

1. I have the honor to bring to notice that I find considerable difficulty in engaging servants for special work, in consequence of the wording of Section 405 of the Uncovenanted Servants' Vade Mecum.

2. The best servants are often required and chosen for such Establishments as the Escheat, Survey, Local Fund, &c., but are averse to joining them under the impression that objection may be raised to the time thus spent counting as service.

3. I am now desirous of engaging a man from another Office as "Local Fund Clerk," who I have reason to believe would be very useful, but he is afraid to give up his present post for the reason I have mentioned.

4. I would beg an order declaring that service as "Local Fund Writer" will count for pension and would respectfully suggest modification of the wording of the rule above quoted.

No. 260. ORDER THEREON, 15th May 1865, No. 1,015.

Miscellaneous.

1. The Government are not prepared at present to grant pensions to persons employed in connection with the District Road and other Local Funds. The Civil Paymaster will be requested to state whether the Order of the Government of India, dated 4th September 1862, No. 360, Financial Department, does not apply also to Government servants in other than the Public Works Department. He will also state whether service in the Malabar Escheat Establishment, which has lasted for several years, and will last for several more, reckons towards pension, as it certainly should do.

2. Service in the Revenue Survey Department, it is observed, reckons for pension.
