Sir

As directed in para 17 of G. O. No. 667 dated 9th Instant, I have the honor to submit the revised Statements of Savings and of additional grants received from the Superintending Engineer 4th Division.

They have undergone examination with reference to orders of Government passed up to 1st of February last and corrections have been made where found necessary.

I take this opportunity to point out that several works upon which expenditure has already been incurred without allotments are not inserted in the Statements in question. Probably they will be provided for in the further Return promised by the Superintending Engineer to be submitted in May next.

Items below 20 Rupees are excluded from the Statements under report in consequence of the remarks in the concluding portion of para 17 of the G. O. under reference but as some of them were included in the Excess Statements submitted by the Superintending Engineer to this Office with an intimation that provision will be made for them in his savings Statements I request to be informed as to whether these

Items of savings and demands below Rupees 20 are excluded from the above statements as directed by Government.

Works entered in statements Nos. III and IV are in progress and some of them nearly completed. Letters of credit received from the Range Officers Madras District for funds required for expenditure during April 1865 are not passed to the fullest extent indented for pending the sanction of Government to the above redistribution. The Controller of Public Works Accounts is therefore requested to submit the above statements for early sanction of Government.
