*Proceedings of the Madras Government, Public Works Department,
20th April 1865.*

No. 316. Read the following letter from Lieutenant-Colonel J. C. ANDERSON, R. E., Superintending Engineer, 2nd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Masulipatam, 6th April 1865, No. 158 :—

SIR,

• No. 852, dated 28th March 1865.

1. Referring to G. O. as per margin,* in which I am required to report if suitable accommodation can be furnished in the Bezoarah Workshop for a detachment of prisoners from the Jail at Guntoor, I have the honor to state that the Workshop is not at all adapted for the purpose. The only enclosed room is occupied by machinery, some of which is in frequent use. The rest of the Workshop comprises a Carpenter's and Smith's shop open in front, and a shed open all round.

2. The enclosure is very contracted, and there is no room for the out-houses which would be required for the prisoners. On the whole it is about the last place I should think of recommending as a temporary Jail.
