marginally indicated, I have the honor
to forward, for submission to Government,
Plan and Estimate, amounting to Ru-
pees 3,100 for "constructing a Rest House
for Troops," at Jollarpett, in the Salem
District.

2. His Excellency the Commander-in-Chief, in approving of the Plan and
Estimate, observes that the latter "is large, although the Plan is the same as that
"of other Rest Houses; nevertheless he will not offer any objection to it." His
Excellency further adds, "the building is urgently needed."

3. The Estimate was prepared in this Office from the Standard Plan. The
rates inserted in it are those shewn in the Bangalore data.

4. From the Budget of 1865-66, I find that this *very necessary* work has been
omitted. In the Budget sent from this Office the work was included. Considering
the urgent necessity that exists for the work, I beg that Government will be pleased
to grant funds specially next year for its prosecution.

Referred to the Military Department, with reference to the Proceedings in that
Department, No. 2675, dated 3rd August 1864.
