*Proceedings of the Madras Government, Public Works Department,
21st April 1865.*

No. 338. Read the following Memorandum from A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Educational Department, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Fort St. George, 6th April 1865, No. 167 :—

1. In transferring to the Public Works Department the enclosed letter from the Director of Public Instruction, the Chief Secretary has the honor to inform Colonel Orr that it appears to him to be very desirable that speedy arrangements should be made for the erection of the proposed Presidency College.

From E. B. POWELL, Esq., Director of Public Instruction, to the Chief Secretary to Government, Fort Saint George, dated Madras, 29th March 1865, No. 726.

SIR,

1. I have the honor to address you in connexion with Order of Government, No. 67 of the 21st instant.

2. His Excellency the Governor in Council is no doubt aware that a building for the Presidency College is far more urgently required than one for the University Senate. The house now rented for the College is discreditable in appearance, and does not afford the necessary accommodation. In these circumstances I beg to recommend that the erection of the new College building be pushed on with all convenient speed; and, as time will no doubt be taken up in procuring materials, while it is desirable to use the funds already provided for the purpose in the current year's Building Budget, I request that Government will be pleased to sanction Colonel Boileau's at once drawing the sum so provided, viz., Rupees 19,000, and holding it in hand to purchase materials.

3. With Rupees 19,000, provided in the Budget for 1864-65, and Rupees 50,000, provided in the estimate for 1865-66, I imagine there will be ample funds for the work capable of being accomplished up to the 30th April 1866.

No. 339. ORDER THEREON, 21st April 1865, No. 1,059.

CIVIL WORKS, No. 60.

1. Application has been made to the Government of India for the services of Mr. R. F. Chisholm, Executive Engineer,

with a view to his employment in the superintendence of the erection of the proposed Presidency College.

2. On Mr. Chisholm's arrival, no time will be lost in commencing the work.

3. The sum of Rupees 19,000 referred to in paragraph 2 of Mr. Powell's letter above recorded, *minus* Rupees 178 transferred to another work in Proceedings No. 2,964, dated 14th October 1864, will be at the disposal of the Superintending Engineer, 4th Division, for expenditure on the College in addition to the sum allotted for the work in the Educational Budget for the ~~current~~ ^{present} year.
