*Proceedings of the Madras Government, Public Works Department,
24th April 1865.*

No. 395. Read the following letter from Captain J. G. RYVES, R. E., Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Waltair, 12th April 1865, No. 1,463 :—

SIR,

1. Referring to G. O. No. 860 of 29th ultimo, I have the honor to enclose a Statement showing the expenditure incurred under the head "Tools and Stores" in the current year.

2. For Ganjam and Vizagapatam, sums of Rupees 811-12-0 and Rupees 776-5-7 are respectively required to be appropriated, and I beg that these two amounts may be granted to me from the unappropriated balances of Budget grants for "Tools and Stores," as I am unable at present to point out any sources from which these charges can be met, though perhaps at the end of this month unexpended balances of the year's allotment for works in these two Districts will in the aggregate be sufficient to cover the amount.

3. The expenditure in the Godavery, under the head "Tools and Stores," will not exceed the appropriation for it already made by Government.

No. 396.

ORDER THEREON 24th April 1865, No. 1,088.

ACCOUNT, No. 60.

Sanctioned from the current year's allotment under the head "Tools and Stores."
