Proceedings of the Madras Government, Public Works Department,  
24th April 1865.

No. 397.

Read the following:—

List of Bills received from the Superintending Engineer, 2nd Division, for works executed in the Kistna District, submitted to Government agreeably to Chapter IV., paragraph 13 of the New Code.

| Audit No. | Date of Bill.    | Description of Work.                                                                                                     | Amount.             | To what year expenditure appertaining. | Date when received.                                                                                                                                  | Remarks.                                                                                                                                                                                                                                                                                              |
|-----------|------------------|--------------------------------------------------------------------------------------------------------------------------|---------------------|----------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1,197     | 1st May 1863.    | Constructing a Cook-room and raising bund to small tank near Deevy Light-house.                                          | Rs. A. P.<br>89 8 2 | 1862-63.                               | Received in January 1863; returned 7th October 1863; received back 31st October 1864; returned back 5th January 1865; received again 6th April 1865. | These works appear to have been executed without any funds having been provided for them in the years to which the billed expenditure appertains. The Superintending Engineer, 2nd Division, states that the works were inadvertently omitted from the Appropriation Returns for these several years. |
| 1,196     | 10th Oct. "      | Do. do. do.                                                                                                              | 4 6 2               | 1863-64.                               | Received in June, returned 13th July 1864; received back 14th January, returned back in March, received again 6th April 1865.                        |                                                                                                                                                                                                                                                                                                       |
| 1,199     | 29th May 1864.   | Clearing out Chabrole Red tank supply channel.                                                                           | 80 5 6              | Do.                                    | Received in November 1864; returned 5th January 1865; received back 6th April 1865.                                                                  |                                                                                                                                                                                                                                                                                                       |
| 1,200     | 29th May "       | Repairs to Appapooram channel.                                                                                           | 253 2 0             | Do.                                    |                                                                                                                                                      |                                                                                                                                                                                                                                                                                                       |
