MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letters:—

From the Secretary to the Government of India, Military Department, Fort William, 16th March 1865, No. 885; to the Secretary to Government, Military Department, Fort Saint George.

I am instructed to transmit, for the information of His Excellency the Governor in Council and for future guidance, the annexed copy of a Military letter from the Right Honorable the Secretary of State for India, No. 20, dated 2nd ultimo, desiring that, on all future occasions of leave to Europe to Colonels of Royal Engineers, it may be stated whether such leave is granted under the ordinary furlough rules or under the provisions of Government General Order, No. 332 of 1861, paragraph 39, and requesting to be furnished with this information in regard to any Colonels of Engineers who may be now in Europe on furlough.

Military Despatch from the Right Honorable the Secretary of State for India, India Office, London, 2nd February 1865, No. 20; to His Excellency the Right Honorable the Governor General of India in Council.

1. Under the terms of my Despatch, No. 30, dated the 18th January 1861, paragraph 9, Colonels of Royal (late Indian) Engineers are allowed the privilege, already enjoyed by Colonels Commandant, of residing in England if not required in India, receiving furlough pay and without forfeiting their position on the Effective List.

2. I request therefore that, on all future occasions of leave to Europe being granted to Officers of Engineers of that grade, it may be distinctly stated whether such leave is granted under the ordinary furlough rules, or whether the Government consider that the services of the Officer in question are not required, and that the privilege abovementioned may be conceded to him.

3. I should wish this information to be furnished without delay with regard to those Colonels of Engineers who are now on leave in Europe.

ORDER, No. 1400, 12th April 1865.

Communicated to the Commander-in-Chief, Department of Public Works and Military Account Department.

2. It is observed that the only Officer now in Europe of the Royal (Madras) Engineers, of the grade referred to, is Colonel H. W. Hitchins who proceeded on furlough for six months with retention of appointment as Superintending Engineer, 5th Division, and obtained an extension of leave for six months, whereby he vacated that appointment.

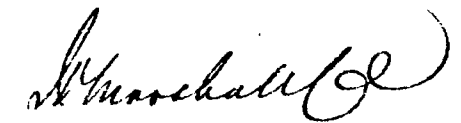

G. O. G., 26th February 1864, No. 72.

G. O. G., 29th November 1864, No. 452.

3. His Excellency the Commander-in-Chief and Public Works Department, will, respectively, afford information in regard to the abovementioned Officer on the point noticed in paragraph 2 of the enclosure to the foregoing letter, for communication to the Right Honorable the Secretary of State for India.

4. This course will be observed in all future similar cases.
