The Superintendent
Engineer 4th Division has the honor
to request that he may be furnished
with his original letter No 6736, dated
28 April 1865, recorded in G.O. No 1162,
dated 29 April 1865, enable him to
trace out the copyist who made the
mistake, the draft being correct.

The correction pointed out in
the G.O. above referred to appears to be
incorrect, in as much as the work
alluded to therein was sanctioned in
September 1863, which is about the
middle of the official year 1863-64,
and the 28 April 1864, being the end of
the official year in question, was
correctly entered in Column 4.
