No. 438. Read the following letter from Lieutenant-Colonel E. A. FOORD
R. E., Superintending Engineer, 5th Division, to Colonel C. A. ORR,
R. E., Secretary to Government, Department Public Works, dated Salem,
21st April 1865, No. 2,679 :—

SIR,

1. I have the honor, with reference to paragraph 2 of G. O. No. 814, dated
24th March 1865, to forward the accom-
panying Statement, from which it will be
seen that Rupees 10,330 are available from the South Arcot District funds, of the
current official year, for transfer to any other District.

2. I beg to point out that, the Controller of Public Works Accounts was
wrong in stating that the expenditure up to January 1865 was only Rupees 1,71,935,
as the actual expenditure was Rupees 1,80,223, the difference of Rupees 8,288 having
been paid to Civil Officers for works executed by them. The reason of this amount
having been omitted from the Progress Report was simply because the Controller
requested that it might be done.
