Dated 26-11-42 18 65.

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
26th April 1865.*

No. 448. Read the following letter from Lieutenant-Colonel C. H. DICKENS, R. A., Secretary to the Government of India, Public Works Department, (Civil Works—Buildings,) to the Secretary to the Government of Madras, in the Public Works Department, dated 3rd April 1865, No. 392 C:—

SIR,

Referring to the enclosure to the Despatch from the Government of Madras, to the Secretary of State, No. 19 of 1865, in which it is stated that Rupees 3,18,750 are to be paid for lime, for the Lawrence Asylum works at Ootacamund, the value of which in the low country would not be more than about 2,000 Rupees, I am directed by the Governor General in Council, in the face of the enormous cost of this material, to suggest for consideration, the advisability of building with mud mortar, merely pointing the walls with lime.

No. 449. ORDER THEREON, 26th April 1865, No. 1,112.

CIVIL WORKS, No. 74.

Communicated to the Superintending Engineer, 7th Division, for such observations as he may have to offer, with reference to the suggestion made by the Government of India.

(True Extract.)

(Signed) CHARLES A. ORR, R. E.,
Secretary to Government.

To the Superintending Engineer, 7th Division.

Sir,

Referring to the enclosure to the
Despatch from the Government of Madras
to the Secretary of State, No 19 of 1865, in which
it is stated that Rupees 3,18,750 are to be paid
for lime for the Lawrence Hyllum works at
Cotacamund, the value of which in the low
country would not be more than about 2000
Rupees, I am directed by the Governor General
in Council, in the face of the enormous cost
of this material, to suggest for consideration
the advisability of building with mud mortar
merely pointing the walls with lime.

I have the honor to be,
Your most obed^t servant,
W. D. Williams, Secy to the Govt of India
