*Proceedings of the Madras Government, Public Works Department,
26th April 1865.*

No. 450. Read the following letter from Lieutenant-Colonel T. GREENAWAY, Superintending Engineer, 6th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Tanjore, 22nd April 1865, No. 2,973 :—

Sir,

1. I have the honor to bring to notice the following error in disbursement, which I regret to find has occurred by oversight.

2. On the 3rd February last, Captain Palmer requested sanction for expending a part of the current year's grant, Rupees 19,800, for removal of Bazaar and Parcherry near the European Barracks at Trichinopoly in the purchase of a part of the ground referred to in General William's letter, embodied in G. O. No. 3,545 of 13th December 1864, and proposed that, as the said Rupees 19,800 and the further sum of Rupees 6,000, G. O. No. 3,545, 13th December 1864, referred to the same project, to treat the two as one estimate, and expend the money in paying for houses or ground as might be found most advisable, *limiting the expenditure to the allotment of money for each year.* This was authorized in G. O. No. 433, 14th February 1865. Mr. Cahill, in temporary charge of the 1st Range, Trichinopoly, appears unfortunately to have overlooked the last portion of the proposition, and to have fancied he had funds available to the whole amount Rupees 25,800, and has therefore proceeded zealously to push on the work and make payments in excess of the allotment for that purpose for the current year. This error was not detected in this Office until the accounts for March had been received. On detection instructions were immediately sent to suspend further payments, but previous to their receipt Mr. Cahill had expended Rupees 22,993-9-8, showing an excess of Rupees 3,193-9-8 above the allotment for the purpose for the current year. A corresponding reduction will have taken place under the head Repairs, but as the transfers will be of funds between the heads of New Works and Repairs, I have the honor to request that special sanction may be obtained for it, or else that the excess so paid may be allowed to stand under the head of "Advances repayable," to be adjusted from next year's allotment after the 1st May.

No. 451. ORDER THEREON, 26th April 1865, No. 1,113.
