*Proceedings of the Madras Government, Public Works Department,
26th April 1865.*

No. 460. Read the following Proceedings of the Board of Revenue, dated 20th April 1865, No. 1,989.

Read the following letter from T. A. N. CHASE, Esq., Sub-Collector in charge of the Godavery District, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Narsapur, 13th March 1865, No. 35 :—

1. In reply to the Board's endorsement on the Petition No. 348 of 1865, presented by Kambhampati Sivaramayya, an Inamdar of Dowleswaram, I have the honor to state that the compensation due to him from Fasli 1266 to Fasli 1272, at Rupees 8-9-2 a year, for his Inam land, taken up at Dowleswaram for a channel and road, was sanctioned by Government in their Orders, dated 23rd July 1863, No. 1,368, and 23rd February 1864, No. 325.

2. The Inamdar did not appear previous to the receipt of the Order of Government, dated 20th August 1864, No. 2,396, which directed the amount remaining unpaid up to the end of April 1864, to be returned to the Superintending Engineer. The compensation due for Faslis 1273 and 1274 is included in the Statements now under preparation for transmission to the Board, and will be paid when sanctioned.

3. The Petitioner selected some Zerayati land in the occupation of a Ryot in the village of Dowleswaram when it was under the Zemindar of Pittapur on the consent of the holder. The village has since become a Government village, and changes in the Ryots' holdings have occurred.

4. The Petitioner should therefore choose some Government waste land in exchange for his Inam, as done by other Inamdars.

5. The Petition No. 348 of 1865 is herewith returned.

ENCLOSURE No. 1.—Petition.

1. The Board observe that the Order of 20th August last, No. 2,396, Public Works Department, referred to by Mr. Chase, merely directed that the balance remaining unexpended on the 30th April 1864, of the sum which had been previously advanced for payment of compensation on account of lands taken up for channels, &c., should lapse on that date like all other balances. This order, however, which had reference to a mere question of account, could not possibly affect the right of Inamdars and others to the compensation which the Government had already ordered to be given them, and which, if not paid by the end of one financial year, would of course be disbursed out of the Budget allotment for the following, or 1864-65. The Sub-Collector in charge will be good enough to report why this course was not followed, and whether there are other individuals who have been treated in a similar manner. Mr. Chase will further inform the Board how much of the sum of Rupees 1,19,916-8-6, sanctioned for disbursement by Government Order, 23rd February 1864, No. 325, remains unissued; what amount has been placed at his disposal by the Public Works Department, on account of compensation purposes for the current financial year; and what portion remains unexpended. As the end of the year is so near at hand, he will be good enough to expedite his reply to these questions.

2. The sum due to the Petitioner should be disbursed at once. The following Endorsement will be passed on the Petition :—

“ The Collector has been instructed to pay Petitioner compensation due to him from Faslis 1266 to 1277. Payment for subsequent years will be made when Government sanction is received. Petitioner should select Government waste land in lieu of his former Inam.”
