*Proceedings of the Madras Government, Public Works Department,
28th April 1865.*

No. 500. Read the following letter from Captain G. M. PAYNE, Executive Engineer in charge of Superintending Engineer's Office, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Pullaputty, 21st April 1865, No. 3,130:—

SIR,

1. Under instructions from Captain Moberly, who was of opinion that travelling allowance would be passed, Major Paxton, previous to availing himself of privilege leave, made arrangements for keeping up a bandy for the conveyance of Office Records during his absence.

2. The Controller of Public Works Accounts, however, states that travelling allowance is inadmissible whilst on privilege leave.

3. Major Paxton, therefore, submitted a Contingent bill, amounting to Rs. 67-8-0, for the expenses incurred in conveyance of Office Records during his absence on leave.

4. The Controller Public Works Accounts states that the special sanction of Government must first be obtained before the bill can be audited.

5. As the member of the Upper Subordinate Establishment (Supervisor McNair), who was placed in charge of Major Paxton's Range, drew no extra allowance* whatever during the three months he held charge, and as Major Paxton paid all expenses connected with the Office Records whilst absent on leave, it would seem that such expenses might fairly be charged as contingent, and I have the honor to solicit the sanction of Government to the same.

No. 501. ORDER THEREON, 28th April 1865, No. 1,139.

MISCELLANEOUS, No. 20.

As a special case the Governor in Council authorizes the Controller of Public Works Accounts to pass the bill referred to in the foregoing letter, and to charge the amount against the current year's allotment for the repair, carriage, &c., of stores.
