*Proceedings of the Madras Government, Public Works Department,
28th April 1865.*

No. 511. Read the following Endorsement of the Superintending Engineer, 7th Division, dated Coonoor, 8th April 1865 :—

Read the following letter from Mr. J. A. HAMNETT, Supervisor, to Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, dated Camp Gopechettipolium, 3rd April 1865, No. 54.

SIR,

1. In forwarding the accompanying papers, I beg to inform you that an advance of 100 Rupees was made to Messrs. J. Whelan & Co. at Madras by Mr. Nordman, for door and window frames, shutters, garden gates, &c, on the 10th of August last; Messrs. Whelan & Co., whenever they were written to by Mr. Nordman, always promised to despatch the articles as early as possible. When I found that Messrs. Whelan & Co. were failing to fulfil their promise, I requested them to refund the money.

2. From the endorsement on the back of the accompanying letter, it is to be observed that the firm of Whelan & Co. is closed, and that J. Whelan is supposed to be at Pondicherry.

3. Mr. Nordman says that he was induced to send to Madras for the articles because they are to be had better there than up-country, and cheaper even after the Railway fare is added to their original cost. In selecting as his Agents the firm of Whelan & Co., that he was guided by a Circular of the Chief Engineer, then Colonel Birdwood, R. E., dated about March or April 1863, recommending the said firm to Officers of the Department for the execution of carpenters' work, &c.

4. As Mr. Nordman proposed, I respectfully beg to lay the matter before you for your instructions.

Submitted to the Secretary to Government, Department Public Works, for instructions whether to proceed against Messrs. Whelan & Co. or to write off the sum to "profit and loss."

(Signed) G. W. WALKER, Lieut.-Colonel, R. E.,
Superintending Engineer, 7th Division.

No. 512. ORDER THEREON, 28th April 1865, No. 1,145.

ACCOUNT, No. 81.

1. As there is but little probability of the advance adverted to in the papers above recorded being recovered from Messrs. Whelan & Co., the Government authorize the amount (Rupees 100) being written off to "profit and loss."

2. The attention of the Superintending Engineer, 7th Division, will be requested to the necessity for the Rules laid down in Chapter XVI. of the New Code being strictly attended to by Executive Officers in future when making advances for supply of materials.
