*Proceedings of the Madras Government, Public Works Department,
29th April 1865.*

No. 535. Read the following letter from Captain J. F. FISCHER, R. E., Controller of Public Works Accounts, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 21st April 1865, No. 3,059 :—

SIR,

With reference to Government Order No. 949, dated 7th April 1865, I have the honor to explain that the difference between the two amounts referred to by Colonel Strachey is owing to the expenditure incurred on the Ponyar anicut works completed in April 1863, and which was not shown in the returns previous to that for 1862-63. The name of the work in the return for that year should have been "Ragavaiyen channel" and "Ponyar anicut." These works forming parts of one project should be taken together.
