1. With reference to Public Works Department Circular No 14, dated 15th February 1865, and having in view the great importance of early action being taken to prevent the overcrowding of barracks, it is deemed expedient that measures should be adopted for the provision of any additional accommodation required under these orders without further delay.

3. These proposals should be sent up by Local Governments and Administrations to the Government of India in this Department, and orders will be passed on them after communicating with the Military Department.
