Proceedings of the Madras Government, Public Works Department, *2nd May* 1865.

No. 26. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Coonoor, 8th April 1865, No. 306 :—

SIR,

Government were pleased in Order No. 2,415 of the 23rd August 1864, to approve of the supply of a Rifle and 100 rounds of ball cartridge to the Supervisor in charge of Bhowany Range. The boon has been greatly appreciated, as affording at least some show of safety while traversing the jungles of the Range; and I venture to submit for sanction an Indent for similar supplies to the two Talook Overseers of the Range. There is no doubt but that these arms and ammunition give the men, their followers, and working parties much confidence while at their work.

No. 27. ORDER THEREON, 2nd May 1865, No. 1,178.

MISCELLANEOUS, No. 4.

1. The Indent submitted with this letter is sanctioned.

2. The Rifle and ammunition required will be supplied by the Ordnance Department, and received and despatched to the Superintending Engineer, 7th Division, by the Public Works Store Department.
