*Proceedings of the Madras Government, Revenue Department,
25th January 1865.*

No. 243. Read the following Proceedings of the Board of Revenue, dated 14th January 1865.

Read again letter from the Collector of Malabar, dated 21st October 1864, No. 271, in Board's Proceedings 19th November 1864, No. 7,555.

Read also the following letter from G. A. BALLARD, Esq., Collector of Malabar, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Cochin, 10th December 1864, No. 306:—

SIR,

I have the honor to submit an original letter from Mr. Beaumont in reply to a reference from me to that gentleman, requesting information as to his intentions in giving Rupees 1,000 to the Sub-Magistrate of Vytry—*vide* Board's Proceedings, dated 19th ultimo, No. 7,555.

As the service rendered by the Sub-Magistrate appears to have been purely un-official, and as the Collector sees no objection, the Board resolve to recommend to Government that Mr. Rozario be permitted to accept the present as a private matter. The Board are also influenced in this recommendation by Mr. Rozario's proper conduct in informing his superiors of the offer.

No. 244. ORDER THEREON, 25th January 1865, No. 117.

Miscellaneous.

The Government cannot permit an Officer in the position of Mr. Rozario to accept any remuneration from private individuals for services performed.

Under Secretary to Government.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 19th November 1864.

Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Calicut, 21st October 1864, No. 271:—

The Deputy Collector Wynad reports the following:—

1. Mr. Beaumont, a planter in South Wynad, desiring to buy a large tract of hill country on which it was known there were numerous complicated claims, asked the Deputy Collector's advice on the subject. The Deputy Collector knowing the difficulties and dangers attending such transactions in Wynad, told Mr. Rozario, the Sub-Magistrate of Vytry, an intelligent man well acquainted with local tenures, that he might render Mr. Beaumont any assistance in his (Rozario's) power in having the deeds of transfer properly drawn up.

2. All seems to have passed to Mr. Beaumont's satisfaction, as after settlement, and when going away for a short time, he put a cheque for Rupees 1,037 in the Sub-Magistrate's hands, the Rupees 57 being in payment of a debt to that amount, and the Rupees 1,000 being intended as a present.

3. The Sub-Magistrate reported this to the Deputy Collector wishing to know if he (the Sub-Magistrate) might retain the money.

The Deputy Collector referred the question to me, and I request the Board's orders on the subject.

4. I may observe that I have every reason to believe that the money was given after the land transaction was completed; that it was not bargained for or expected by the Sub-Magistrate; and that its receipt is unobjectionable unless the principle that public servants are not under any circumstances to receive presents from private individuals in connection with official assistance of any sort is to obtain.

The Collector will please to ascertain from Mr. Beaumont what his intentions were in placing the amount in question in the Sub-Magistrate's hands.

(A true Copy and Extract.)

Secretary.
