*Proceedings of the Madras Government, Public Works Department,
3rd May 1865.*

No. 76. Read the following letter from Colonel A. J. M. BOILEAU, R. E.,
Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E.,
Secretary to Government, Public Works Department, dated Madras, 19th
April 1865, No. 6,544 :—

SIR,

1. In G. O. No. 322, dated 27th February 1862, a sum of Rupees 3,705 was
sanctioned for the annual maintenance of the road, 17 miles in length, from
Arconum to Conjeeveram, and this amount has been duly entered from year to year
in the various Budgets. The same amount stands in the Budget for 1865-66.

2. It appears, however, to have been the practice hitherto to spend the *whole*
amount on the 14½ miles of road between Arconum and Trunk Road No. I. while a sepa-
rate allowance of Rupees 137 was sanctioned in G. O. No. 347, dated 25th November
1851, for that portion of the road 2½ miles long, lying between Maclean's Choultry and
Conjeeveram. It was even proposed in my Budget 1865-66 to increase this latter
grant from Rupees 137 to Rupees 300. On a careful scrutiny of this and other
items allowed for maintenance, it has become evident to me that we have been acting
under a misapprehension, and the sooner it is corrected the better.

3. I have the honor, therefore, to recommend that the Item No. 8, page 58 in
Appendix A, Budget 1865-66, may be cancelled, as I have directed Mr. Supervisor
Booth of the Wallajah Range, North Arcot District, to expend in 1865-66 only
Rupees 3,160 out of the sanctioned sum Rupees 3,705, and to make over Rupees 545
to Mr. Sub-Engineer Maitland, No. 3 Range, Madras District, to spend between
Maclean's Choultry and the town of Conjeeveram.

No. 77. ORDER THEREON, 3rd May 1865, No. 1,202.

CIVIL WORKS, No. 7.

On the recommendation of the Superin-
tending Engineer, the Government approve
of the expenditure of Rupees 3,160 on the
road between Arconum and Trunk Road No. I., and of Rupees 545 on that between
McClean's Choultry and Conjeeveram. Under this arrangement the item of Rupees 300
in the Budget of 1865-66 for the maintenance of the latter line will be cancelled.

Sir,

In G. O. N^o 322 dated 27th
February 1862 a sum of Rupees 5705 was sanc-
tioned for the annual maintenance of the Road
17 miles in length from Arcconim to
Congeveram, and this amount has been duly
entered from year to year in the various Bud-
gets. The same amount stands in the
Budget for 1865/66.

2. It appears however to have been
the practice hitherto to spend the whole amount
on the 14½ miles of Road between Arcconim
and Trunk N-I, while a separate allow-
ance of Rupees 137 was sanctioned in G. O.

N.

N^o 347 dated 25th November 1851 for that portion of the Road 2 1/2 miles ^{long} lying between Maclean's Choultry and Congeveram.

It was even proposed in my Budget 1865/66 to increase this latter grant from Rupees 137 to Rupees ~~200~~ ²⁰⁰. On a careful scrutiny of this and other items allowed for maintenance, it has become evident to me that we have been acting under a misapprehension, and the sooner it is corrected the better.

3 I have the honor therefore to recommend that the item N^o 8, Page 58 in Appendix A, Budget 1865/66, may be ~~entirely~~ cancelled, as I have directed Mr. Supervisor Booth of the Wallajah Range North Arcot District to expend in 1865/66 only Rupees 3160 out of the sanctioned ^{sum} Rupees 3705, and to make over Rupees 545 to Mr. Sub Engineer Maitland N^o 3 Range Madras District to spend between Maclean's Choultry and the town of Congeveram.
