No. 98. ORDER THEREON, 4th May 1865, No. 1,212.

ESTABLISHMENT, No. 6.

1. In Proceedings No. 994, dated 11th April 1865, the Government authorized the Controller of Public Works Accounts to entertain the Establishment provided for his Office in the Budget of 1865-66. This scale of Establishment was recommended to them by Colonel Wilkieson after a careful consideration of the work that would devolve on the Controller's Office by the introduction of the new system of Accounts, and it was accordingly recommended to the Government of India and sanctioned by them. Captain Fischer, however, in his letters of the 8th March 1865, Nos. 2,653 and 2,654, recorded in Proceedings of 4th April 1865, No. 918, proposes further changes, but he fails to show their necessity, and the Government see no reason for adopting them. They are of opinion that the Establishment recently sanctioned will be found fully equal to the work that it is expected will devolve on it.

2. The services of a Deputy Controller do not appear to be immediately needed; but the Government will be prepared to appoint an Officer whenever the Controller may consider it necessary.
