*Proceedings of the Madras Government, Public Works Department,
5th May 1865.*

No. 106. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Coonoor, 24th April 1865, No. 324 :—

SIR,

1. Remembering with what reluctance the Government sanctioned Rupees 700 to provide accommodation for the North Wynad Range Office, it is with some diffidence that I submit the accompanying estimate of Rupees 1,200 for providing similar accommodation in South Wynad. But I have done my best to limit the amount of accommodation and its cost to a minimum, and its provision being a necessity I have no alternative.

2. The proposed site was shewn me by the Range Officer when I was lately at Goodaloor Ghát, and I approved of it. Should circumstances ever lead to Wynad being re-constituted a single Range charge, I have no doubt but that the full value of the building in such a site will be realized. Meanwhile, the funds required may be provided from the Reserve of 1865-66.

No. 107. ORDER THEREON, 5th May 1865, No. 1217.

CIVIL WORKS, No. 13.

1. Under the circumstances explained by the Superintending Engineer, 7th Division, the Governor in Council sanctions the estimate submitted with this letter, amounting to Rupees 1,200, for the construction of a building to provide office accommodation for the Officer in charge of the South Wynad Range in the Malabar District.

2. The cost of the work will be charged against the Reserve under "Civil Buildings."
