*Proceedings of the Madras Government, Revenue Department,
26th January 1865.*

No. 253. Read the following Proceedings of the Board of Revenue, dated 11th January 1865, No. 143.

Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Calicut, 19th December 1864, No. 313 :—

	RS.	A.	P.
1. Repairing road from Kotiadi to the head of the Ghaut	1,050	0	0
2. Do. road from Kotiadi to Nadapurom	1,81	8	0
3. Improving road from Manjeri to its junction with the road from Malliapurom to Kondotti	7,795	0	0
• To be expended this year	3,920	0	0

1. I have the honor to request the sanction of the Board to the three District Road Fund Estimates noted.

2. They have been duly countersigned by the Superintending Engineer and myself.

3. No. 1 is for necessary repairs on the Kotiadi Ghaut, a useful line of communication from the Coast to North Wynad.

It will be observed that a sum of Rupees 2,200 is entered in the Income Tax Budget of

1864-65 for this line ; but the Superintending Engineer informs me it is for bridge and drain work on the plateau above, and that District Road Funds should provide for the line from the head of the Ghaut to Kotiadi. I have accordingly ordered the immediate execution of the work for which funds are forthcoming.

4. No. 2 is for repairing the road from Nadapurom to Kotiadi. The line is an important one, and funds are available for the execution of the repairs. I have therefore, in anticipation of the Board's sanction, ordered them to be carried out in the current year.

5. I wish to expend Rupees 3,920 this year of No. 3, an Estimate amounting to Rupees 7,795 for improving the road from Manjeri to where it meets the road from Calicut to Palghat via Mundur. I have directed the Range Officer

Extent Rupees 3,920.

Part I., Item No. 6.

to carry out the road work to the extent noted this season, and have made provision in the District Road Fund Budget for 1865-66, lately

submitted by me, for the construction of the tunnels at a cost of Rupees 3,875, the remainder of the whole Estimate for Rupees 7,795.

Submitted for the sanction of Government, as the Estimate for No. 3 exceeds Rupees 2,000.

No. 254. ORDER THEREON, 26th January 1865, No. 122.

Miscellaneous.

1. The plan and estimate for work No. 3 should be laid before Government as required by the Rules.

2. The other two works do not need the sanction of Government.
