*Proceedings of the Madras Government, Public Works Department,
9th May 1865.*

No. 178. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Coonoor, 29th April 1865, No. 338:—

SIR,
1. An estimate, of which the accompanying is a copy, was forwarded to you on the 31st ultimo for sanction and transfer of funds. By a communication from the General Superintendent of Workshops and Stores it appears to have been handed over to him for disposal; but sanction for the estimate and transfer has not yet come to hand.

2. The Tools have been bought in the market, being urgently required; but the Orders of Government still appear requisite regarding them, as although the Bill is below Rupees 500 it is in fact part only of Bills largely exceeding that amount which are debited from time to time against the Lawrence Asylum and New Coonoor Ghât and consequently beyond my power of sanction.
