*Proceedings of the Madras Government, Revenue Department,
26th January 1865.*

No. 259. Read the following Proceedings of the Board of Revenue, dated 23rd November 1864.

Read the following letter from J. SILVER, Esq., Collector of Tinnevely, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Tinnevely, 14th November 1864, No. 436 :—

SIR,

1. With reference to paragraph 13 of the Rules A for the administration of the District Road Fund, sanctioned by Government under date the 4th March 1864, No. 392, and received with the Board's Standing Circular, No. XXVII, dated the 31st idem, I have the honor to forward an estimate, amounting to Rupees 18,200, prepared by the Public Works Department, for constructing the unmade portions of Road No. 9, between Tinnevely and Courtallum, and I request that the Board will be pleased to obtain the early sanction of Government for the same.

2. During the current official year, only a portion of the estimate will be charged against this Fund. It is highly necessary that this road, which is an important one, should be completed as soon as practicable.

1. Submitted for the sanction of Government.

2. The road in question is one of the main lines of communication with the Travancore country. The Board's only doubt is whether it should not be viewed as an Imperial line of road.

No. 260. ORDER THEREON, 26th January 1865, No. 125.

Miscellaneous.

The Government consider that the line of road from Tenkasy through Tinnevely to Trichendur is essentially an Imperial line.
