*Proceedings of the Madras Government, Public Works Department,
9th May 1865.*

Read the following papers:—

No. 201. From Captain J. G. RYVES, R. E., Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Waltair, 11th April 1865, No. 1,448.

SIR,

1. I have the honor to submit, for the sanction of Government, Lieutenant Smalley's claim to deputation allowance to which under the Rules promulgated with the Proceedings of Government of India, dated 28th November 1864, No. 3,365, he is clearly entitled, since the date on which he received charge of the 3rd Range, Godavery, from Captain Makgill.

Enclosures 3.

2. Besides this additional allowance in remuneration for the additional labor and responsibility thrown upon him, Lieutenant Smalley should receive extra travelling allowance to meet the extra expense of travelling which is thrown upon him by the doubled charge. I have, therefore, requested Lieutenant Smalley to forward bills for the travelling allowance which would have been drawn by Captain Makgill, had he remained. As there ought to be a separate Officer in charge of the 3rd Range, this will not entail extra expense to Government.

Referred for the report of the Controller of Public Works Accounts.

No. 202. From Captain J. F. FISCHER, R. E., Controller of Public Works Accounts, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 27th April 1865, No. 3,106.

SIR,

1. With reference to your Memorandum of the 22nd instant, on a letter from the Superintending Engineer, 1st Division, herewith returned, I have the honor to submit the following report.

Enclosure 1.

2. Lieutenant Smalley, R. E., holds a substantive appointment in the Department of 2nd Assistant Engineer, and was promoted in the Gazette of 13th September 1864, to act as 1st Assistant Engineer for Major Prendergast, v. c., he draws therefore already a moiety of the pay belonging to the highest class of his grade as deputation in addition to a moiety of his own substantive pay; but no additional pay has been passed to him whilst performing the duties of an absentee in another Range in addition to his own duties.

3. I am of opinion Lieutenant Smalley is entitled to the increased salary he claims under Clause II. of paragraph 7 of the Resolution of the Government of India, No. 3,365, dated 28th November 1864, as he performed the duties of an absentee in addition to those of his substantive appointment; no direct ruling is given for guidance in such cases, but I think the spirit of these orders and not their literal interpretation is required to be attended to, the more so as this can be carried out without making any increase in the cost of establishments to the State, Captain

Makgill taking only half the pay of his substantive appointment for six months. I also consider him entitled to the additional travelling allowance as per G. O. of the 7th April 1865, No. 952.

No. 203. From Captain J. G. RYVES, R. E., Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Walair, 2nd May 1865, No. 6.

SIR,

In continuation of my letter, No. 1,448 of 11th ultimo, I have the honor to submit, for sanction, the accompanying two bills for additional travelling allowance which Lieutenant Smalley is, in my opinion, entitled to, for being in charge of No. 3 Range, in addition to his own.

ESTABLISHMENT, No. 12.

* From Controller, 20th April 1865, No. 3,034.

1. As neither the orders of the Government of India, under which Lieutenant Smalley claims deputation allowance, nor the letter* from Major Chesney, explaining the application of the new rules, are, as admitted by the Controller, clear as to the course to be followed, Captain Fischer will be requested to place himself in communication with the Accountant General, Public Works Department, with a view to ascertaining the practice which obtains in Bengal. He will in the meanwhile pass the additional travelling allowance to which Lieutenant Smalley is entitled while in charge of two Ranges.

2. It will be intimated to all Superintending Engineers, that the Government will decline to consider any claim to deputation allowance unless the officiating appointment has in the first instance been notified in the Official Gazette.
