No. 212.

MILITARY WORKS, No. 16.

Procs. of Govt. dated 10th May 1865, No. 211.]

Dated 10th May 1865, No. 1,271.

1. As in pursuance of the orders conveyed in the Proceedings of Government No. 1,270 of this date, all the buildings which have been commenced and are in progress to provide accommodation for a Regiment of Dragoons and a Battery of Artillery on the Race Course at Bangalore should be stopped till their respective plans and estimates have been submitted, and received the sanction of Government in this Department, the Superintending Engineer, 5th Division, will take measures for the immediate submission of the necessary plans and estimates, to limit, as far as possible, any inconvenience or delay that may arise by the progress of those buildings being arrested.

2. To enable the work to be resumed as early as possible, the plans and estimates for the several buildings may be separately submitted, and if much loss is likely to be caused by the sudden suspension of such of the buildings as are in progress under regularly executed contracts, Colonel Foord, as a special case, will be permitted to exercise his discretion in proceeding with them, but he will not fail immediately to report the circumstance in each instance for the information of Government.
