to the Secretary to Government, Military Department.

2. To convert a portion of this building into Quarters for the two Staff Serjeants, as per enclosed Plan, is roughly estimated to cost Rupees 1,200; and I am directed by His Excellency the Commander-in-Chief to recommend that the work be sanctioned for immediate execution after the 1st May. Much is not required to be done, and His Excellency trusts that the alterations may be carried out with expedition, so as to let the Non-Commissioned Officers and their families have the advantage of improved Quarters during the hot weather.

3. The provision of these Quarters
