MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Superintending Engineer, 7th Division, Ootacamund, 3rd April 1865, No. 302; to the Secretary to Government, Department Public Works.

I have the honor to submit for sanction two Estimates for small alterations to Barrack fixtures at Cannanore, the cost of which, Rupees 274 and Rupees 239, may be met from the Military repairs allotment, or allotment for minor Military new works of 1865-66—a third Estimate of Rupees 72 has also been sent to me for disposal, regarding which I am in doubt whether it does not come rather within the scope of the Commissariat Department, being for supply of Inventory Boards. If approved, they can be made up by this Department and the cost debited against "Repairs" "Military."

Referred to the Military Department for consideration.

(Signed) C. A. ORR, Colonel, R. E.,
Secretary to Government, P. W. D.

8th April 1865.

In returning the enclosures as per margin, I have the honor to state that the Inventory Boards, in my opinion, should be considered as fixtures and consequently supplied by Executive Engineers.

- 1 Letter.
- 3 Estimates.

2. The Quarter Master General however directed that the Inventory Boards for the Barracks at the Presidency, should be supplied by this Department, and they were therefore obtained on Indent from the Commissariat.

The Estimates submitted are approved.

2. Inventory Boards being fixtures, will be furnished by the Department of Public Works.
