*Proceedings of the Madras Government, Public Works Department,
13th May 1865.*

No. 273. Read the following Endorsement of the Superintending Engineer, 5th Division, dated Salem, 3rd May 1865, No. 38.

Read the following letter from Captain H. TULLOCH, R. E., Executive Engineer, Bangalore, to Lieutenant-Colonel E. A. FOORD, R. E., Superintending Engineer, 5th Division, dated Bangalore, 29th April 1865, No. 684 :—

Sir,

The Controller of the Public Works Accounts, *vide* paragraph 13, Chapter V. of Civil Auditor's Manual, having disallowed the charges for an Almanac and Army List from my Contingent Bill for March 1865, I have the honor to offer the following explanation for the necessity of the articles therein entered. I am in constant communication with the Civil and Military authorities, and the greatest inconvenience is felt for want of an Almanac and Army List; only the other day, I had to borrow one of these books to ascertain the name of the Officer Commanding one of the Batteries of Artillery in Bangalore, who had occasion to write officially to me and whose signature was not legible. Work is unnecessarily delayed for want of these trifles.

Submitted to Government, with a recommendation that, under the circumstances stated by Captain Tulloch, the Controller be authorized to pass the charges for the Almanac and Army List from the Contingent allowance for Bangalore.

(Signed) E. A. FOORD, Lieut.-Colonel, R. E.,
Superintending Engineer, 5th Division.
