*Proceedings of the Madras Government, Public Works Department,  
15th May 1865.*

No. 298. Read the following letter from F. LUSHINGTON, Esq, Deputy Auditor and Accountant General, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Fort Saint George, 6th May 1865, No. 8 :—

SIR,  
1. With reference to the Proceedings of Government in the Revenue Department, No. 104, dated 24th January last, paragraph 32, and to their further Proceedings in the Public Works Department, No. 361, dated 7th February, paragraph 53, I have the honor to request that you will be good enough to inform me, whether any Budget allotment has been sanctioned by the Government of India on account of charges connected with the Conservancy Establishments therein referred to, and, if sanctioned, I request that Government will be pleased to direct the Controller of Public Works Accounts to arrange for the disbursement of the charges in question by Public Works Officers like all other charges of that Department.

2. I have been led to make this reference in consequence of a communication received by me from the Treasury Officer at North Arcot, soliciting the authority of this Office for the disbursement of the charge of the Conservancy Establishment of his District. To avoid any unnecessary delay in the payment to the parties concerned, I have instructed that Officer to disburse, the charge, as an advance, as in last year, and to debit it to Public Works Department as per Proceedings of Government in the Revenue Department, No. 929, dated 31st May 1864.

3. I take this opportunity to remark that the outstanding in the accounts of this Office on account of Advances, made under the last mentioned Order, are very large, and if therefore the question of the conservancy charges being borne by the Public Works Department has been decided by the Government of India in the affirmative, I request that the Controller may be directed to adjust the above-mentioned advances at an early date.

No. 299. ORDER THEREON, 15th May 1865, No. 1,314.

ESTABLISHMENT, No. 17.

1. The Accountant General will be informed that no allotment has been sanctioned by the Government of India to meet the current year's charges on account of the Establishments employed in the conservancy of irrigation works.

The Controller will, however, be instructed to pass the salaries of these Establishments against the general allotment in Part IV. of the Budget

2. The Controller has been requested, in separate Proceedings, to arrange for the adjustment of the advance referred to in paragraph 3 of the Accountant General's letter.
