No. 302. From Lieutenant-Colonel G. W. WALKER, R. E, Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E, Secretary to Government, Department Public Works, dated Coonoor, 22nd April 1865, No. 323.

SIR,

1. In Government Order No. 1,633 of 4th June 1864, a sum of Rupees 850 was sanctioned for filling up the Grave-yard at Cochin to a depth of three feet. It appears to have been framed by the Tahsildar, and submitted by the Collector, without the intervention of this Department.

2 I have now been called upon by the Missionary Chaplain and Lay Trustees to estimate for supplementary works rendered absolutely necessary by the operation originally sanctioned, and which should have been provided against in one and the same estimate These are, the raising of the gateway and Chapel shed, and buttressing of the walls, &c., which the accompanying estimate of Rupees 500 provides for An illustrative plan is also sent. The Collector has seen and approved of them.

3 The work is really of an emergent nature, for if not carried out before the monsoon it will hardly be possible to use the ground. Its cost should be met from the Reserve of 1865-66.
