Proceedings of the Madras Government, Marine Department,

10th May 1865.

Read the following papers.—

No. 17. From J. J. FRANKLIN, Esq., Superintendent of Marine, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Madras, 11th April 1865, No. 1323.

I have the honor to acknowledge receipt of the Proceedings of Government of the 6th instant, No. 73, and to state that the charge for erecting a Coal shed at Cochin could be met from the Port Fund, but that I consider it would not be fair to appropriate any portion of that fund to such a purpose. The Coal Dépôt is kept exclusively for Government Steamers, and if private Steamers occasionally indent on the Government stock, they are required to pay a price which more than reimburses the Government, as is instanced in the very port in question. I respectfully submit therefore that the fund should not be required to bear this expense.
