*Proceedings of the Madras Government, Revenue Department,
26th January 1865.*

No. 275. Read the following Proceedings of the Board of Revenue, dated 10th January 1865, No. 121.

Read the following letter from the Honorable D. ARBUTHNOTT, Collector of Salem, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 4th January 1865, No. 1:—

1. I have the honor to forward a letter received from Bishop Bugnion, requesting to be allowed to take up two Acres of land without auction on the boundary of the land he has applied for on the Shevaroy Hills, to enable him to commence building at once.

2. I have seen the ground he has applied for, and find that it is extremely rocky and poor, and as this land cannot be sold before the 13th of March, I recommend that he be allowed to have two Acres on Puttah, at the usual rate of one Rupee per Acre, to enable him to commence building without delay.

ENCLOSURE No. 1.

From Bishop F. L. BUGNION, to the Honorable D. ARBUTHNOTT, Collector of Salem, dated 30th December 1864.

In our interview of the 17th instant, you had the kindness to inform me that I can hope to obtain two Acres of land free, and near to the land that I have applied at Yellaukrala (Tuty Toudy) in order to build some buildings to shelter the people who perhaps are coming, as the sale of the piece of land which I have applied for, is to take place only on the 13th March next. Consequently I have the honor to request that you will obtain for me the grant of the *two Acres* of land, to be taken at the limit of the land applied for by me.

1. Submitted for the orders of Government.

2. The Board observe that the Government Order of 5th August 1859, No. 1,053, Revenue Department, on the creation of Freeholds, expressly directs that land sought for building purposes by Europeans or Natives shall be sold by public auction to the highest bidder.
