Sir, Madras.

When on Circuit in the Ganjam District in March last, I found that the road between Nupada Salt pans and Palconda was in very bad order & that, to keep it passable during the salt sales season, an expenditure of at least Rs. 450 would be necessary in addition to its own maintenance allowance. I accordingly ordered the Range Officer to transfer Rs. 450 from the grant for maintenance of the Coast Road. At the same time the Range Officer reported that the Road between Palconda and Chicacole (to the port of Calingapetam)
