Proceedings of the Madras Government, Public Works Department, 18*th May* 1865.

No. 386. Read the following letter from J. F. FISCHER, R. E., Controller of Public Works Accounts, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 12th May 1865, No. 130 :—

SIR,

1 Letter from the Accountant General, Public Works Department, dated 27th April 1865, No. 395.

1. I have the honor to forward herewith an original letter from the Accountant General, Public Works Department, dated Simla, 27th April 1865, requiring that all charges for Travellers' Bungalows, incurred subsequent to 1st May 1864, may be adjusted in the accounts of this Office to the debit of Local Funds. This adjustment will affect the works sanctioned by the Orders noted in the margin. Besides, the completion and repair of Bungalows have been ordered by the G. O. dated 3rd and 17th March 1865, Nos. 582, and 743, while these charges are now ordered to be debited to Local Funds. It is not clear how such an adjustment can be made after the termination of the official year. The Local Fund accounts being rendered to the Board of Revenue, and their disposal resting with that authority, it will be necessary to ascertain whether the Local Funds of the Districts in which the works are situated can reimburse to the Imperial Funds for the outlay incurred on their account, and this information can be obtained only through the Board should it be considered necessary to adopt this proceeding.
