*Proceedings of the Madras Government, Public Works Department,
18th May 1865.*

No. 394. Read the following letter from F. L. MONCRIEFF, Esq., c. E.,
General Superintendent of Public Works Stores and Workshops, to Colonel
C. A. ORR, R. E., Secretary to Government, Public Works Department,
dated Chepauk, 18th May 1865, No. 82 :—

SIR,

1. With reference to the Orders of Government, No. 1,329 of the 16th instant,
I have the honor to state that there should be no difficulty in procuring a good
Native Engine Driver for the Steamer "Frank and Ada" from the Dowlaishweram
Workshops.

2. I had a very clever Mussulman named Saiboo, in charge of these engines,
if he has been discharged, I know of no other, fit for this duty, in the Godavery
District.

3. I consider Rupees 60 per mensem would not be too high a salary for a
good Native Engineer.

4. I regret to say I know of no qualified person in Madras to undertake the
above duty.

No. 395. ORDER THEREON, 18th May 1865, No. 1,363.

MISCELLANEOUS, No. 21.

Communicated to the Superintending
Engineer, 1st Division, with reference to the
orders quoted by Mr. Moncrieff.
