*Proceedings of the Madras Government, Public Works Department,
26th May 1865.*

No. 510. Read the following letter from Colonel A. J. M. BOILEAU, R. E.,
Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E.,
Secretary to Government, Public Works Department, dated Madras, 20th
May 1865, No. 284:—

SIR,

Hitherto Abstracts of Estimates have been sent to Government in accordance
with the Rules laid down in the Code. On the receipt of G. O. No. 1,270, dated 10th
May 1865, directing that in case of *buildings*, "estimates in full detail should be
submitted for approval," I drafted a Circular to that effect, for the guidance of the
Range Officers, doing away with the submission of Abstract Estimates in such cases.
Having however some doubts as to the intention of Government, I have thought it
right to refer the matter before sending out the Circular, only adding that the doing
away with Abstract Estimates, which I apprehend were only introduced to facilitate
check in the days of a non-professional Secretary, would be a boon, as it would save
much labor.

No. 511. ORDER THEREON, 26th May 1865, No. 1,418.

MISCELLANEOUS, No. 27.

Abstract Estimates will be submitted as before,
but accompanied by the fullest information in detail.
